CCSL UNDER 19 NATIONAL PLAYOFF See PROGRAMME Page 28

MORI MAGIC SINKS SOUTHS

The positive transformation of Adelaide City over the top six playoffs and the dramatic form reversal of minor premiers South Melbourne was epitomised in last Sunday's battle of the giants at Olympic Park.

Victory for the visiting Adelaide City players secured the green light for entry into consecutive grand finals as* ROBERT WHEATLEY *highlights the highs and lows of this crucial encounter.

Coca-Cola Soccer League

As Socceroo hopeful Damian Mori turned to celebrate his second goal in last Sundays CCSL final he did so in the knowledge that his contribution had played a significant role in ensuring a 3-1 victory for champions Adelaide City over South Melbourne and had advanced his club to within one game of securing back to back titles.

His decisive 26th minute header and lightning turn of speed to convert a half chance late in the second half were evidence of the strategic pieces of the puzzle coming together for the Zebra's unit.

It has occurred at the most opportune time at the end of an uncharacteristically hot and cold season for the reigning champions.

Other equally important signs were the return to form of Zabica, who despite a rash challenge on Trimboli in the first half which seemed to have penalty written all over it, was easily back to Socceroo form.

His presence in and around the entire penalty area is reassuring to say the least and together with the impassable Alex Tobin Adelaide City have a defence likely to repel even the magic of Marconi's frontline trio of Harper, Corica and Taliadoras.

Adelaide City's Steve "Mad Max" Maxwell

Once again, however, the jewels in any coaches crown are his matchwinners.

In Carl Veart coach Matic has a young man with the dual qualities of supplier and finisher.

His recent form has been scintillating and his lead up work for Mori's first goal and Adelaide City's second was finely calculated with a far post lob that cried out for Mori to oblige with a brave header.

With Steve "Mad Max" Maxwell thriving in his traditional role of second phase distributor, normally with his back to the opponents goal but capable of supplying the necessary service for the successful platform of Adelaide City's game to be developed, who can deny soccer purists from great anticipation in this weekend's decider.

Victory was secured by Mori when he outpaced Wade and Durakovic with a blinding 45m run culminating in a classy finish with the outside of his right foot.

South Melbourne's consolation goal slotted home by Awaratiefe with the game totally lost late in the second half was exactly that .... a mere consolation.

The form slump of the minor premiers makes astonishing news.

During their faultless season of 26 games they won 18, drew 4, lost 4 with a positive goal difference of 28.

Incredibly the 1993 playoff series will read 3 played, 3 losses with 1 goal for the 11 against.

Squad changes and more importantly positional changes left South in barely recognisable shape to their most effective in season line up.

If the 7-0 goal drubbing of last week was not enough a 4th minute Melta drive certainly was the first of several breaks that went against Souths.

The disallowed penalty left Souths aghast and also signalled the early termination of Trimboli with a damaged right shoulder.

Australian Youth captain Kevin Muscat was elevated to a more prominent role in midfield with Danny Wright but apart from some fine long ranging shooting from Muscat the due could not claim superiority over the Adelaide midfield.

The post match comments of Zoran Matic were typically abrupt.

However this message was clear, and it emphasised the perfect timing back to form of his important team members.

One certainly looks forward in anticipation to an evenly matched Grand Final of the two inform CCSL sides.

SHOOTOUT OR SHUTDOWN ?

Marconi-Fairfield only a fortnight ago created play-off history with its 7-0 drubbing of South Melbourne. Fellow 1993 CCSL Grand Finalists Adelaide City similarly destroyed Wollongong City 4-0 and sent South Melbourne packing with three more fine goals in last week's final.

It begs the question of whether Sunday's battle for Australian club soccer supremacy will continue in the same vein.

Will it be remembered as the classic shootout mirroring the form of both sides entering the big one?

Or will the coaches eye the ultimate prize in more cynical terms and call for a shutdown of selected players to gain the crucial ascendancy

ROBERT WHEATLEY ***previews the Coca-Cola Soccer League Grand Final.***

Even the visionary exploits of Marconi's Frank Arok were drawn into question following the clubs dramatic catapult into Sunday's CCSL Grand Final.

Journalists jumped at the opportunity of testing Arok as to whether or not Marconi could repeat the deadly dosage of seven scintillating goals on that special Sunday in May.

As is his want Arok responded to the taunts in typical fashion.

"Bulldust," he retorted. And those close to the Marconi camp are abundantly aware of the frequency of this term and its implications from a coach that has taken Marconi back to their expected heights in his initial spell with the club.

But whether or not the Marconi side can bottle elements of that vintage performance and let it flow again has been a major topic of discussion.

Certainly the confidence abounds with the Fairfielders.

Celebrations on the goalscoring front have been shared by a lengthy list of subscribers during the season stretching from Van Egmond to Harper.

Whey they are hot they are red Hot.

Their results during the 1993 season against Adelaide City, although impressive, do reveal a significant fallibility in my opinion. This weakness is open to exploitation.

The 4-3 and 5-3 results both in Marconi favour are strong indicators that the goal feast will continue.

What Zoran Matic will be banking on, however, is the tightening of his defence.

It has been the platform for success in the past and has now returned to full working order.

It provides the key for victory on Sunday. It also definitely underlines that 4 or 5 or for that matter 7 goals are totally beyond the reach of Marconi's hardworking forward trio.

Will the Adelaide defence be enough to stop the rampaging Taliadoros, Corica and Harper?

The choking of Marconi's dangerman could suffocate its most potent outlet.

This would produce the desire of an all out attacking approach of Marconi's behalf and leave them open to the speed and strike force of Carl Veart and Damian Mori.

I believe Melta and Mullen will play pacifying roles to nullify the service to already tightly marked Marconi forwards.

The approach of Adelaide City of foreign soil in last years' decider suggests that 1993 in Sydney will vary sightly, if at all.

With so much at stake for both Matic and Arok and the respective clubs, it is not unusual for caution to become paramount in their preparation.

Look out, however, for a great duel between Harper and Tobin, Corica and Shillabeer and Taliadoras and Vidmar.

The injury to Ian Gray will probably force Jolevski into a man to man marking role with Veart. Bingley has a tough assignment on Maxwell and Van Egmond will have his hands full watching Mori.

Both Schwarzer and Zabica are in outstanding form in goals and inevitably they will play major roles in denying the attack of each set of forwards.

As befits a grand final both teams have struck sparkling form at precisely the right time and there is difficulty in separating the two.

If the teams cannot be unlocked after extra time a reply will occur midweek in Adelaide.

I have this sneaking suspicion however that the visitors have what it takes to weather the Marconi barrage and sneak home themselves.

CANTERBURY MARRICKVILLE CLOSING IN ON THE TOP FIVE

SUPER LEAGUE with Ian Marriott

Marshall Soper in action for Bankstown City against Stanmore

Canterbury Marrickville kept their top five chances alive over the weekend when they managed to pinch two points from their encounter with runaway competition leaders Blacktown City following a 1-1 draw.

The Demons took the lead shortly before half time with Laurie McKinna scoring his second in as many weeks and Canterbury defended resolutely to keep themselves in the match eventually pulling out an equaliser through Dounis in the 63rd minute.

Marrickville move up one position to eighth at the expense of Bonnyrigg but more importantly for them remain just four points off second spot.

Bankstown City were one of two teams whom benefited from the Demons dropping a point and they have now narrowed the gap to just six points between first and second.

City had few problems as they continually pressurised the Stanmore defence which had been showing signs of weakness in recent weeks.

Mark Reveley opened the scoring for Bankstown in the 42nd minute, Anthony Surjan scored his third for the season in the 52nd and new signing from Parramatta Eagles Marshall Soper, added his name to the scorers list with just minutes remaining to complete a 3-0 victory.

Stanmore's loss sees them drop three places to sixth position after losing their last three games in a row and conceding ten goals in the process.

Adamstown Rosebud continue their unbeaten home run with a convincing 3-1 win over struggling Bonnyrigg who now drop to ninth although they are still well in contention for the finals series.

The White Eagles were made to pay by their inability to control young Brett Eldridge who had a field day scoring Super Leagues third hat tick of the season in the 46th, 84th and 89th minutes.

Norman Tome provided the only inspiration for Bonnyrigg in the 88th minute, his fourth of the season.

Leichhardt Tigers stormed into the top five for the first time since round four after accounting for Warringah Dolphins 2-0 at Lambert Park.

Bruno Beddoni moves up to be level top goal scorer in the league after his effort in the 33rd minute put the Tigers ahead.

John Gibson continues to show his value in the midfield adding a second for his team in the 84th minute.

Warringah now drop to seventh position, one point out of the top five.

Canberra Deakin came close to being embarrassed at home by Eastern Suburbs.The Canberra side took a half time lead of 2-0 when Fadil Muriqi opened in the 32nd and young Socceroo Anthony Milicic scored shortly before the break.

The Canberra fans expected their favourite side to go on with the job in the second period but it was not to be as Eastern Suburbs pulled one back through Paul Harriott in the 49th.

Canberra managed to hold on however and the three points lifts them to fourth position, their first time in the five since round five.

In other matches, Rockdale Ilinden will find the going tough from here on in after failing to score against St George as the two played out a 0-0 draw and Wollongong United restored some pride with their second win of the season at the expense of Sutherland Shire 2-1, Chris Minol and Lupco Dimov scoring for United while Sutherland netted via Scott Gould.

CAN STANMORE STOP BLACKTOWN CITY'S UNDEFEATED SEQUENCE ?

by Ian Marriott

All eyes will be firmly focussed on CYC Stanmore this weekend as they host undefeated Blacktown City at Wentworth Park.

Stanmore have now lost their three previous matches and the law of averages suggests that the run of outs will soon end.

A win over Blacktown City this weekend could well be the difference between making the top five and missing out at the end of the season while the other top contenders would love nothing better than to see the Demons toppled thus allowing them to creep a little closer to the coveted first spot.

Bankstown City's Scott Gilbert on a typical charge for the goal mouth.

With the match set down for Saturday, it would not surprise to see many representatives of other Super League clubs on hand to witness the events.

Yet another crucial match this weekend takes place at Cromer Park where Warringah Dolphins are at home to Canberra Deakin.

The Dolphins currently boast the third best goal difference in the League, most of which is due to their excellent defensive record of only conceding eight goals in 11 matches although Leichhardt was able to make inroads last week scoring twice on the way to victory.

Canberra are capable to scoring goals with Tony Lemezina leading the way for the club on six while Warringah's top marksman Wayne Pierce was kept quiet last weekend and will be looking to make amends this week.

Canterbury Marrickville fresh from their valuable score draw with the Demons last weekend now face up to what was quickly developed as a major force in Adamstown Rosebuds.

A win for Canterbury is unlikely to see them inside the five however they would be knocking on the door and the Rosebuds are currently travelling nicely in equal second position looking to go after Blacktown City.

Considering their previously poor defensive record, Canterbury did well to allow the leagues leading scorers Blacktown to just the one last week and this may well be a sign that work has been done in this department.

Rosebuds are not known for their goal scoring prowess and may find the rejuvenated Marrickville a very tough nut to crack this weekend.

It is a case of do or die this week end for the Bonnyrigg White Eagles who travel to the Illawarra where they face Wollongong United fresh from a win over Sutherland Shire.

The White Eagles are not yet dead and buried but they can only be considered as a very outside chance if they fail to take three points from this encounter.

Bankstown City will be aware of the importance of beating teams they are expected to beat when they face up to St George this weekend at St George Stadium.

Anything less than a victory for Bankstown would be a disaster as they attempt to lessen the gap between themselves and the frontrunners.

Saints have a huge goal scoring problem and it is difficult to see them breaking through the Super Leagues best defensive outfit.

The rampaging Tigers are set to continue their recent form at the expense of Sutherland Shire at Seymour Shaw and it is hard to imagine the locals being able to collect their first three pointer of the year this weekend.

The Tigers will be aware that the three teams just below them all face difficult task this weekend and hence a victory should give them some breathing space in the top five.

It hasn't happened yet but I have a feeling that Sutherland are going to play a large part in deciding this years top teams and each week they come a little closer to pulling off what I consider is an inevitable upset which could have devastating effects on a top candidate.

Eastern Suburbs will be looking to end any slight chance Rockdale had of making the five this week when the two meet at the ES Marks Field.

GENTLE GIANT

Look at the achievements of lanky utility player Gerry Gomez and it is hardly surprising that NSW Soccerblues coach Rale Rasic should include the Parramatta Eagles Star in his squad this winter.

For here is a man who is clearly a winner. His honours roll with his NSL clubs is a lengthy one and his representative appearances and overseas tour experience count for much in assessing his value to the State side.

Look behind the figures at his personal achievements outside the game and one can see a man of tremendous optimism, character and resolve; a man who came to Australia from his native Costa Rica at the age of seventeen and was quickly earning enough money to support his large family back home.

Gerry is till only 33 years of age and has the ability to draw on his personal strengths, pacing himself well enough during his games to overcome any potential shortcomings due to his advancing years.

He is still capable of playing a t NSL level, he feels for some time yet and is keeping fit by maintaining a careful diet, getting plenty of sleep and playing regularly in the State League during the winter again this year.

Gerry has played for the Sate since 1985, celebrating wins in that year and in 1990. He was chosen in the Under 21 Australian side in 1981 and was a senior Socceroo in 1985 and 1986.

In addition he toured Europe with Marconi in 1989, having already been to the Pacific Islands with Sydney City.

Apart from his NSW duties which could take him overseas again he intends to do some coaching with the Australian team travelling to Israel for the Maccabi Games to be held in June.

In a long and illustrious career Gomez has featured in 273 NSL games already, scoring 71 goals in the process; not bad for a man usually considered to be a defender. He has even scored 10 goals internationally, most with his head, an ability which earned him 6 of his 9 goals with Parramatta Eagles in the summer season just completed.

His obvious natural talent was spotted soon after he began to play in Australia, but from Costa Rica, where he played only for his school, he had very little experience to call on.

Coming from a poor nation he was already in the work force when he was 12 years old, operation as a conductor on the transport network of his native city, Limon.

Gerry in his early days with Sydney City, pictured with Tom Mc Culloch now with Marconi.

His father is Portuguese and Gerry spoke some of the language so he initially played with the local Sydney Portuguese Club, Paddington, at Queens Park in the Eastern Suburbs.

Gerry has remained in the area all this years and it has brought him good fortune. He was snapped up by NSW Federation side Bondi Marine where he played in 1977 and 78 after his early games with Paddington.

Bondi Marine won the premiership in his second year with them, the first of many successes he was to share in as a player.

Eddie Thomson, then playing with Hakoah/Sydney City, had connections with Bondi Marine and recommended him to join Gerry Chialdi and his men at Wentworth Park for a run.

Gomez graduated from 4th grade to the NSL 1st team within six months, so rapidly did he manage to progress at the champion club.

It was a far cry from a ball around the backstreets of his old neighbourhood, but while he was acquired a good reputation at playing soccer he was still working hard to support his mother raising her other children in Costa Rica.

Gerry has 5 brothers and 4 sisters and apart from one brother Cacey, one year his junior and who came here at the same time as Gerry, the family remained at home for another eight years before they could secure a permanent future in Australia which was to happen relatively recently.

Gerry went home to see his family 8 years ago and the approval for them to make their way to Australia came during his visit.

It was not for another couple of years after that until this likable young man was free of his commitments to the rest of the family and could consider his own future wishes.

He had been developing his skills as a cutter in the clothing trade and currently works for 'Zoom In', designers of quality women's garments, in that capacity.

One his trade was established he began to get out and about a little more.

A female friend invited him to 'Julianas' where he met Lara, an Australian girl

GERRY GOMEZ

Soccer blues Series with Paul Goodwin

whom he ran into again later the same night when he partied on at 'Rogues'.

Lara was about to leave the country for an 18 months USA trip so Gerry didn't think about seeing her again until the pair met by chance in a Bondi coffee bar after her return; though, even then, it was another three months before they arranged their first date.

They married three years ago and have a delightful two year old daughter, Jade.

Both Lara and Gerry have run fashion businesses in the past, because they enjoy working with clothes and it is something they are likely to take up again in the future, individually perhaps, but more likely as a partnership. That may wait until his soccer days are over for he has much to look forward to still and plenty to look back on.

Gerry, a deeply religious man, is quick to point out that he would not have achieved as much with out the support of his wife Lara.

Similarly without God and His guidance and direction he would not have received the rewards the game has brought him.

Gerry won the Premiership with Sydney City in 1979, his first year there and again in 1980 when the team were runners-up in the NSL Grand Final.

A critical point in his soccer life was a loan spell in 1983 at Blacktown City were Rale Rasic was coaching. Rale persuaded Gomez to develop his creativity by moving into the midfield, having been a stopper most of the time in the past.

As a consequence Gerry returned to that position with Sydney City and became an even more versatile player.

1983 brought another Premiership medal and 1984 was the year that Gomez won Player-of-the-Year and collected yet another Premiership gong. He followed that with runner up as Player-of-the-Year in 1985 and a Northern Premiership medal to add to an embarrassingly rich collection.

The trophy which had eluded the club, the NSL Cup, came their way in 1986, but if that wasn't enough he then linked with Marconi where the medals just kept on coming over the next four years.

In 1990 he joined Apia-Leichhardt, but an ankle injury and a groin strain meant that it wasn't the best of seasons and may have expected at 30 that Gerry had seen and done enough.

He hadn't and linked with Melita where Raul Blanco put him in the right back spot, a position he accepted graciously, but had never felt really happy in.

After all it was in this position that he was used in the National side by Frank Arok and Gerry never felt comfortable with that after a humbling by Spurs on their tour here. He believes that had he been given a chance at either stopper or in midfield he could have served his adopted country much better.

His career was, therefore, at the crossroads and with the disappointment of a first season at Melita behind him he spent last winter at Canterbury where Charlie Yankos was happy to have him playing through the centre of the park.

Gomez enjoyed that experience much more and when he agreed to return to the Eagles on loan from his new club Canterbury it was when he knew that Rale Rasic was to be the man in charge.

Rasic restored him to a central midfield role and Gerry feels that this season has been one of his best and he is looking forward to going back for another year at least.

For one of soccer's winners he was upset at the club's exit from the NSL play-offs and believes that the Eagles can do better next summer.

He is still undecided about which team he will play for during the remainder of the winter season, but intends to keep his hand in one way or another.

When his playing days are over coaching is a natural for this son of Costa Rica who already tutors the Maccabi Under 10's and conducts his own coaching clinics in Sydney, Brisbane and Melbourne.

He finds these very rewarding and will be much in demand among the many soccer students in the Eastern Suburbs, with his happy disposition and love of children.

He has the chance to win more medals with the Soccerblues and travel to other countries with the side as well.

He deserves all the success he can get after working so hard for his family and in making Australia his home.

With his mother, Francisca, now living in Fairfield and his other siblings scattered through the suburbs he will not be without support when he pulls on a blue shirt again this winter, it seems.

Gerry, today with Parramatta.

TIGHT AT THE TOP

There now appear to be six strong contenders for the title, following the weekend round of matches, with Macarthur Rams joining Mount Druitt in the overall lead by just one point from Belmore Hercules and Auburn United.

Macarthur had a pretty easy passage against Granville CSC at Lynwood Park on Sunday, a 4-0 score helping them establish a healthy goal difference for the future.

Conroy Filies came in for the injury Peter Preston and quickly picked up where he left off last year with a goal within seven minutes.

He took advantage of a good piece of lead up work to hammer home from inside the area, then provided the cross from the right which saw Peter Treacy head in the second moments before the break.

Ian Wotherspoon in the 20th and Gary Newson in the 35th had already gone close to adding to the early strike and with both full backs Stoddart and Celarc overlapping constantly Granville found themselves on the back foot for long periods.

Gary Newson switched to the midfield with the return of Ian Stoddart and looked dangerous, contributing to Macarthur's third in the 70th minute, Wotherspoon also taking a hand in Mark Moffett's eighth goal of the season, a firm drive from close range.

Moffett got his ninth this term when he headed in a clever chip from Ray Carney after Wotherspoon had initially picked up Carney from the other flank with a free kick.

David Hayes in the Macarthur goal was virtual spectator but the local crowd, growing healthier each week, didn't mind that as The Rams hit the competition lead, albeit on goal difference.

Sharing first spot with them are Mount Druitt who found Mount Pritchard at their best at Popondetta Park in a 1-1 drawn game.

The game already stood 1-1 when an unfortunate incident saw Town Rangers midfielder Don Campbell out for the count and in need of expert medical attention after an innocent mishap.

With only ten minutes remaining play was suspended for forty minutes while Campbell's condition could be professionally assessed and both clubs were highly complimentary about the handling of the stoppage by young referee Brett Hugo.

Campbell was detained in hospital for observation after taking the full force from a fierce clearance by a player just metres away and there was concern at the time about the seriousness of the injury.

Mount Druitt had been right on top at that stage, but when play resumed Mounties had the home side in a bit of trouble and were unlucky not to get away with all three points on the day.

Campbell himself had been in the thick of the action when in the first ten minutes his shot was saved at point black range by Greg Woodhouse.

Action from the recent Belmore Hercules - Hakoah match.

At the other end Mark Pratt cleared a Stan Suman header off the line and David Close did likewise with a Chris Ackerley header.

In the 30th following a free kick on the right by Matthew Bourke, Vladen Radic cracked a super goal which Jenkins just didn't see.

Woodhouse meanwhile save from Craig Smith when the clever striker got into a one on one situation with him late in the first half.

Ackerley hit the bar for Mounties in the 44th as the visitors produced one of their best efforts in weeks.

Five minutes after the restart Smith's cross was headed in at the far post by Shipley for the leveller which signalled a Mount Druitt offensive which was in full flight until the blow to Campbell brought things to a standstill. After that Graham Watton hit the post, Gary Hatton hit the 'keeper's legs, as did Thiet Lovan and Anthony Driene's header was cleared off the Mount Druitt line, but under floodlights the game produced no further goals, with Wayne Farnsworth expressing relief at the finish and Glenn Fontana happy with his team's better performance in this feature attraction.

Third placed Belmore Hercules struggled to subdue Liverpool City at Ernie Smith Reserve, taking the field without Jim Ziras and three other key players. They had to rely on Con Anagnastopoulos taking advantage of a hurried clearance following a corner to seal the points on this occasion in their 1-0 win.

Liverpool had two sent off, yet Belmore defender Anthony George was twice forced to clear shots off the line from the home side.

IN FIRST DIVISION

Paul GOODWIN

NSW SOCCER FEDERATION
FIRST DIVISION

Auburn United was another side short handed when they had Danny Cerjak sent off against Gladesville in their 2-1 win at Mona Park.

Cerjak clashed with Andy Ferris five minutes into the second half of an evenly contested affair which saw Auburn's 3rd minute lead snuffed out by a Ferris strike in the 68th.

Gladesville are an improving side and will trouble many in the weeks to come. They made Auburn work hard after an early setback.

When Danny Cerjak's header from a Canbek Genc corner in the 3rd minute hit the post Scott Gemmell was beaten to the ball by Craig Jones who got his header past the usually reliable 'keeper.

Ozcan Celik could have made it 2-0 in the 40th, but his hasty shot went wide, when he was confronted with virtually an empty net.

Andy Ferris returned to the Gladesville side and looked sharp, grabbing the equaliser with a strong left footed shot in the 68th.

Celik grabbed the winner in the 74th when his Chip deflected off Craig Bass wrong footing Gemmell. Bass had lost possession moments earlier when he received the ball from a throw, but saw his clearance rebound off the referee sending Araujo and Tasdemir away for the crucial pass which led to the timely goal.

Gladesville kept up the momentum and hit the bar twice in the closing stages, Jeffery being particularly unlucky.

The win leaves Auburn handily placed just one point behind the leaders, but Gladesville will be looking to climb away from the lower reaches with similar strong showings against the weaker sides in their next few matches.

Central Coast will be a force again this year judging by their comprehensive 5-3 win over a luckless Dulwich Hill at Arlington Oval on Sunday.

Coast's free flowing game was too much for the inexperienced locals who make too many errors against their well drilled opponents.

Dulwich Hill once again missed a bag of chances, getting themselves off on the wrong foot from the start.

Tim Andersen ballooned the ball over the bar in the 8th minute after a square ball by Victor Rebelo had put him right in front.

Andrew Ollier showed how it should be done with a superb run into the box and a cracking drive which Bill Koneski could not hold in the 18th. Ollier called for the ball from Cutler 45 metres out and went past four on his way to goal, a solo effort of some majesty by the Coast libero.

That was cancelled out, though, in the 26th when Steve Cutler brought George Johnson crashing to the turf after a jinxing run into the box and Cesar Mora buried his spot kick for a quick equaliser.

DIVISION ONE PREVIEW FOR THE WEEKEND AND PROGRAMME SEE PAGES 26 AND 27

No one tracked Rod Brown through in the 42nd and Dulwich Hill paid the price as the Newcastle star arrived at the far post to head in a Marc Prospero cross from the left, having ample time to pick his spot and restore the Coasties' lead.

Moments after the resumption Glen Sprod fed Brown on the right and headed the return ball against the post. Prospero then fed Brown again and this time the cross was hooked in by Paul Roberts from close range for a 3-1 scoreline.

Andrew Sharpe gave Roberts a second when he lifted the ball over the defence and enable the striker to flick the ball past the 'keeper with a delicate header at close range.

Rebelo turned in a Cesar Mora cross from the left in the 59th and Mora could have got one himself but for Andy Piper's timely dive at his feet in the 64th.

Two Hill players, Nick Lupo and Jere Matosin were given early showers in the last ten minutes and Coast made the most of an infringement by the 'keeper to make it five in the 81st.

Steve Cutler drove the free kick through a sea of legs in the goalmouth, in what amounted to a defensive wall, to claim his second goal in as may matches.

West Wanderers and Hakoah staged a drab 0-0 draw at The Gabbie on Saturday, with both sides unable to spark at all.

There was little action in the first half, but some chances did fall in the second.

An Avi Ronen shot in the 74th was headed off the line by David Cook and Ronen then headed against the bar in the 81st.

West almost grabbed a late decider when a chip forward by newcomer Jure Bilokapic for Robbie Cook saw the 'keeper leave his line late only for Cook's lob to go wide of the right hand upright.

These two sides will need to lift if they are to hold their good positions in the coming weeks.

Rockdale ILINDEN

with Mendo Cklamovski

Rockdale Ilinden, after dominating for the majority of the game, ended the match with St George 0-0. Despite missing several players due to injury and suspension Rockdale Ilinden had the better opportunities and should have easily won the game. Their finishing brought them undone again after several players had clear scoring chances yet were unable to put the ball away. Billy Petrovski had the best chance in the 30th minute when he hit the post. Rockdale Ilinden had another two chances near the end of the first half. Greg Lerond missed with a volley form outside the penalty area and Geoff Biscaya missed from 5 metres out, his volley going over the crossbar. The second half saw Rockdale Ilinden continue their domination giving St George little chance of scoring. The best opportunity went to Greg Lerond after a good break down the right from Michael Reda who beat several players to set up the shot.

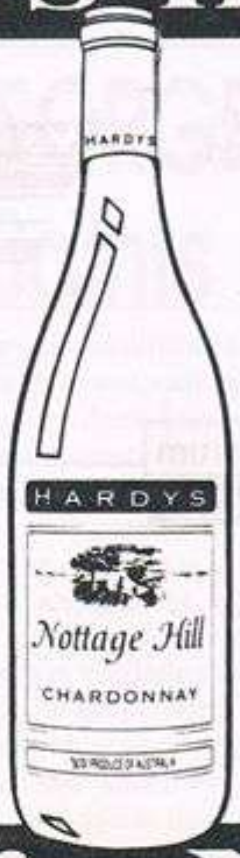
The Rockdale Ilinden club welcomes Michael Reda of Parramatta Eagles who made his debut for the club in this match. This talented young player lives in the area and is looking forward to his stint with Rockdale Ilinden. The game against St George also saw the debut in first grade of the Under 18's striker Iain McDonald who came on in the last 15 minutes as a substitute.

Rockdale Ilinden look forward to the return of Darryl Sharpe and Robbie Sellar from suspension in the game against Eastern Suburbs. Adding further to the team will be Zlatko Markovski and Zoran Naumovski who are returning from injury. Zlatko Markovski's skills will be welcomed and it is hoped he remains injury free for the rest of the season. It is hoped that Darryl Sharp can continue where he left off by continuing his good goalscoring form of recent weeks.

Rockdale Ilinden's Reserve Grade team had a good 3-1 win while the Under 18's wnet down marginally losing 3-2. In the Youth League the teams recorded 2 draws and 2 losses.

Everything is looking well for Rockdale Ilinden off the field as well with the committee doing a fantastic job with fund raising activities and general organisation. Everyone associated with the club is happy with their efforts and they should be congratulated on their enthusiasm and commitment. The club would also like to thank all the loyal supporters for their continued support. Without them the club would not be in the healthy position it finds itself in.

It's notta ... notta



CHARDONNAY

Fresh melon and peach fruit flavours dominate the palate with a light oak influence. A round smooth and rich wine of great character.

Bankstown CITY MSC

with Anthony Cleary

Despite the horrendous weather this weekend, nothing could drive away the patriotic supporters of Bankstown City MSC who were up against CYC Stanmore.

The morning kicked off with a superb two nil win to Mr. Glenday's U/18's Bankstown team. The boys played hard all match and their commitment paid off in the second half with two goals, the first by sweeper Ray Younis and the second by striker Michael Ditte. We're on the way BOYS!

The U/21's match would also witness one of the best games played by the Bankstown Boys. After two goals were scored by CYC Stanmore, all hope was lost for the side. However, the boys kept their cool, with their discipline paying off in the second half. A hat-trick for Saso Talevski put them 3-2 up, however despite these great goals, credit must be given to Alvaro Cabval who was on fire all game, back to your old form mate, perfect!

The highlight of the afternoon kicked off at 3 o'clock as the Bankstown City MSC attempted to capture another 3 points putting them on 23 points on the Super League ladder. The opening moments of the game differed from previous weeks, little attacking chances were being created as each team adopted a defensive style of football. It would only take 12 minutes before, the tables changed, great lead up work by the Bankstown team saw a well hit shot by Mile Todorovski which just pulled wide at the last moment. It would take this incident to boost the Bankstown side. In defence, through Mark Reveley, Mendo Ralevski and Anthony Ovelino and attack through Scotty Gilbert, Marshall Soper and Anthony Surjan the boys from Stanmore were baffled as Bankstown side ran rings around CYC. Chances for Scotty Gilbert raised the hopes for an opening goal, his offensive running created havoc for Stanmore's defence. This goal however would come in the dying moments of the first half, with a cross by Zayer to the far post, witnessing a well hit header by Mark Reveley pushing his team one goal up at half time.

As each player got special attention in the dressing room coach Lubje Jancev's central idea's were, maintaining control in the back, communicating in the midfield, service to the strikers and commitment for another 45 minutes. The break ended with the words "Lets not lose our shape" echoing in the home teams dressing room.

The second 45 minutes, and in particular the 52nd and 89th minute saw another two goals for Bankstown City.The first of which came about following great skill and strength by Scotty Gilbert to skin two Stanmore defenders, who subsequently cut the ball back to Anthony Surjan who came sliding in to put Bankstown up by 2. This goal go the adrenalin pumping. From then on Bankstown dominated the rest of the match, with majestic lead up work, rigid defence, committed runs and grand attempts at goal. The third goal of which would come in the 88th minute. A solo run by Zayer down to the goal line, crossed accurately, was flicked by Soper and into the back of the net. That represented Soper's first goal for the '93 season since his return from Parramatta Eagles. The epitome of Bankstown strength was the unselfish play by all members of the team and in particular Zayer Jebraiel. All seems well for a semi-final position for Lubje's men.

St. GEORGE BSC Saints

Despite only achieving a nil all draw against Rockdale Ilinden the feeling after the game was positive. We had eliminated the mistakes that had cost us dearly in previous games, while at the other end of the park we had created opportunities in front of goals. John Radman, a recent signing from Canterbury Marrickville is providing solidarity and experience in the defence, while giving us a base to develop our attack.

Like many Super League Clubs we can't boast about our crowd support in terms of huge numbers, but we do have a loyal core of supporters who follow us, even at 'away' games. It certainly helps to lift the players if there is a vocal core of supporters in the crowd, as was the game last Sunday.

The Reserve Grade side went down 1-3 despite having the majority of play. Rockdale to their credit, had three scoring chances and capitalised on each occasion, while we had a lot more opportunities and could only put away one. We are playing better each week and the results will come.

Our Under 18's continuted their good form by winning 3-2. We have dual registered a number of Under 17 Youth League players and three of them: Andrew McDermott, Vaughan Hunter (scored a goal as well) and Matthew O'Shea played against Rockdale, who were only one point behind us before the game. Giorgio Manuli would be most disappointed if no mention was made of his great penalty save. Great One !

Our Youth League sides had a mixed bag on Saturday, losing two (Under 13's and 15's) and winning two (Under 14's and 17's) against the highly fancied Southern District sides. The Under 17's game was a particularly hard fought match with St George winning 1-0. The quality of soccer played was very high, with non-stop action at both ends of the park. k It was a great advertisement for the game.

OVERSEAS TOUR

The Newcastle Amateur Soccer Association has 2 vacancies in their team, scheduled to tour Singapore and Malaysia in June/July, 1993. The U/15 team will play 5 games in 10 days and enjoy quality accommodation and travel.

Anyone interested in more information should contact Wal Hurst on (049) 69 3014.

Blacktown CITY

PROUDLY SPONSORED BY PERFECTION DAIRIES

with Bob Brooks

With First Grade leading the Super League table by six points speculation is rife as to whether the Demons can go through the first round undefeated. Just two games remain away to Stanmore CYC at St George Stadium and then the home clash with St George.

We will have to wait and see until 4.45 on Sunday May 23rd. The run so far is doubtless one of the best, if not the best, that the Club has ever experienced. The team is a finely balanced blend of young, experienced players with Andrew Brockbank and Lawrie McKinna the only players more than 29 year of age.

Coach Ken Schembri is doing a fine job with limited financial resources. The canteen is trading well, the various raffles are bringing in a steady income, crowds have increased noticeably and the VIP Bar is paying its way.

The sponsorship gained from Perfection Dairies and the grant from the Licenced Club all help to balance the books.

The knee injury suffered by goalkeeper Peter Groenewoud against Canterbury appears to be severe. Groenewoud, who ironically got his chance in the First when Craig Carter was injured during a match, was playing well and had a sparkling game against Bonnyrigg in the Demons 2-1 victory.

Andrew Crews is in light training after his knee reconstruction but probably won't be fit to return to duty until August.

Three seasons ago Steve Mautone suffered a knee injury and needed a full reconstruction. However Mautone spent the recent NSL season between the sticks with Morwell. So Crews and Groenewoud can look forward to a full recovery but it takes time.

With Groenewoud being carried off that made two goalkeeping casualties, in the day, as the Canterbury Reserve goalie was also stretchered off.

Special mention must go to the referee in the Reserves game Demons vs Canterbury. Mr A Tansley had a great game in the middle. Additionally one of his linesmen Mr Finlay was precise and clear with his indications. Finlay was always correctly positioned with the last line of defence.

Don O'Regan has taken on the honorary role of Club historian. This area is of vital importance to the Club. The late John Alers filled this position from the mid-sixties until his death in 1992. John's collection of badges, pennants etc. can be seen in the Club foyer.

If you find something on Blacktown City Demons in the Newcastle, Illawarra or Canberra newspapers pass it on to Don, please.

Hayden Foxe was as cool as a cucumber when recently interviewed on the "Just Sport" programme by host Bob Gallagher on radio station 2CCR 90.5 FM. Just as his mother had said, "Hayden is so self assured and confident and his soccer has given him this to him."

After his U/18 game, the very next day, there was young Master Foxe serving in the canteen. A true Clubman and one to watch in the future.

A LEGEND REBORN

A SPECIAL SUPER SOCCER FEATURE ON HAKOAH S.F.C.

As you depart from the elevator on the first floor of the palatial Hakoah Club in downtown Bondi Beach, an imposing trophy cabinet stares you in the face.

For those people who have made the trip to dine in the Jaffas Restaurant down the lobby way, the history contained behind those glass doors may be altogether meaningless.

Many of the members of the Hakoah Club may be oblivious to the fact that the licensed club was built as a monument to the mighty Hakoah football teams in pre war Australia and post war Australia. Behind those cabinet doors lies a history of success on the football field which is unparalleled in the history of Australian soccer. Names like Eddie Thomson, Gerry Chaldi, Ray Baartz, Joe Watson, Robbie Fekete, Allan Marnoch, Peter Fuzes and Herbert Ninaus remind the former supporters of a famous by gone era

Tragically, in April, 1987 in one of the most controversial decisions made in Australian sporting history, the Sydney City Hakoah football team withdrew from the National Soccer League after playing only one match.

A storm arose which threatened to lift the very ceiling of the Hakoah Club premises, but the club management remained steadfast in its determination to end the association of the Club with professional football. They claimed the licensed club could not finance the passion of a dwindling band of supporters in a game which had never attracted the attention of the Australian sporting masses to any great extent.

The management and Board of the Hakoah Club won a personal victory but a sour taste was left in the mouths of many of the football club supporters and people in the soccer community at large.

Where they're life, they're hope. The name of Hakoah Football Club has been given the kiss of life. In the 1993 N.S.W. Soccer Federation Super League Division 1 Hakoah is competing.

In 1992 the Federation decided that all clubs would have to forsake ethnic names. Maccabi-Hakoah Soccer Club submitted

Canterbury MARRICKVILLE

by "The Berry"

Canterbury Marrickville Olympic was pleased to announce the following sponsors for 1993 Season: Budget Rent A Car, Poulos Bros, City Ford mascot, The Kettle Chip Co., Covo Sport, Rasko Dry Cleaners, CSR Home Blocks, United Crib Blocks, Combined Electrical, to all our sponsors we thank you for their support of the Club, we also hope that by next week this club will announce a major sponsor!

Last weeks games vs Blacktown City saw Canterbury Marrickville Olympic come away with only 2 points out of the three grades. Our U/21 side losing for the 2nd time and missing a penalty in the process, our U/18 also lost in a game that the referee allowed to go unchecked, which resulted in the Canterbury Marrickville Olympic goalkeeper been stretchered off the field! In the main game the Berries had the opportunity to inflict the 1st home defeat for Blacktown City but in the end we had to be satisfied with two points.

Our U/14 Youth League Team which is doing so well in their division, 2nd over all, is planning an end of season trip to America, they hope to play 4-5 games, as well as see Disneyland, Universal Studios, Knottsberry Farm and visit a High School for the day. Fund raising has began for their trip.

The Club also signed young Parramatta Eagles defender Paul Souris on loan for 1993. Paul a former Berry player, had his first game for the club against Blacktown and fitted in nicely.

Adamstown ROSEBUD

PROUDLY SPONSORED BY CARLTON UNITED

with Paul Colver

One of the best displays by a team from Adamstown Rosebud for some time! A statement made by many supporters at last weekends game. I certainly echo those words after watching a team committed to winning. Every player showed a form of determination and guile that was a showpiece for aspiring first grade soccer players. Finding it difficult to single out any one player it would be remiss of me not to mention a couple. Firstly; Brett Eldridge, what a fine performance to score a hatrick at this level of football, next Adam Sanderson who put in another polished performance and a final mention to Dean McWhirter for his all round game and in particular his marking out of the game of Warren Spink. The only kick Spink got all game was after the game getting the mud off his boots!
Again well done to the whole squad.

The U/21's also had a win with a goal by Richard Davies while the U/18's had a scoreless draw.
All in all the performances so far this season by all players in all grades has been to the standard expected of players from Rosebuds. Keep up the good football and maintain that winning edge.

A thank you to Les Curry from our Club and other Clubs for the outstanding job he does in keeping the dressing room clean and tidy at all times.

The date has been set! The Rosebud Nostalgia Garage Sale is to be held in the Old Clubhouse on Saturday 22nd May at 9.00 a.m. A Sausage sizzle and refreshments will be available while the Sale of Adamstown's property is sold to the first lucky purchasers. No offer refused for sale items.

Keep watching the ground in the coming weeks for changes to start happening.
Many thanks to the Newcastle Herald for their continued support of Adamstown Rosebud Soccer Club. The Club representing the City.

WARRINGAH Dolphins

PROUDLY SPONSORED BY MANCHESTER UNITY

with "The Dolphin"

* The club signed Socceroo midfielder Jason Polak last week and his intelligent play gave the Leichhardt defence some headaches. Welcome to Dolphin Park Jason.

* First grade player/coach Glenn Sterrey came through a successful arthroscope last weekend. He had the operation on Thursday and hardly even had a limp to show for it by Sunday. His return will boost an already strong squad.

* The Under/18 Dolphins are starting to show their true class with another fabulous win against highflyers Leichhardt last weekend. A super 15 metre strike by the talented David Laime (his first of two goals for the match) set the scene for an avalanche of goals to Dave Guzzo, Franky Mesite and **** ****. Coach Bob Bell deserves adulation for his hard work with these never say-die youngsters.

* Birthday wishes go to ..... you guessed it, the owner of tha unit in Dee Why ... Roscoe Etherington. Ross will tell you he is still in his early 20's but I know for a fact that is not true. By the way, it's a real shame we have a Saturday game this week. Look out Charlie Bar (then it's back to his unit).

* Our second graders (the entertainers) fought out a spirited 0-0 draw last week to keep them in touch with the competition pace-setters.

Coach Harry McCue will have them primed come the business-end-of-the-season, that's for sure.

* The club punter-cum-goalie Sean "Physco" Lahiff continues to back the right GG every Saturday. Last week he and fiancee Jen added another few bucks to the kitty.

* This is to one of the Dolphin's first graders who never sits with his team mates before the game. Instead he distance himself from everyone but his beloved "ruler". Get it together "Panet"

WARATAH STATE CUP

The State's premier knock-out competition, the Waratah State Cup, has reached the Third Round state, with a revised draw just having been published.

Gladesville Unite, whose first game was delayed after an earlier floodlight failure, were given a saloon passage with the withdrawal on forfeit of 2nd Round opponents Engadine Eagles.

Springwood have eliminated Prairiewood 2-1 and in a nailbiting event Orange Waratahs edged out Greystanes 3-2 to move into the 3rd Round.

Springwood have an interesting tussle with Panania RSL to look forward to, while Orange Waratahs take on surprise team Willoughby City.

The only outstanding game is between White Eagles and GNS United.

First of the 3rd Round games kick off tonight, Thursday 13th, at Valentine Park.

THIRD ROUND MATCHES - REVISED DRAW

Crescent United vs St Johns Park - Tonight 8.15 p.m.

Kissing Point vs Prospect United - Tuesday 18th May - 6.30 p.m.

Trasandinos vs Phoenix - Tuesday 18th May - 8.15 p.m.

Granville Police vs New Welcome Sports - Tuesday 18th May - 8.15 p.m.

Condell Park vs Austral Racing - Wednesday 19th May - 8.15 p.m.

Panania RSL vs Springwood - Thursday 20th May - 8.00 p.m.

Homenetmen vs Gladesvile United - Thursday 20th May - 8.00 p.m.

white Eagles or GNS United vs Hurstville - Tuesday 25th May - 7.30 p.m.

Willoughby City vs Orange Waratah - Date and Venue TBA

THE WORLD'S OLDEST AND MOST FAMOUS KNOCKOUT LIVE FROM WEMBLEY, LONDON

The FA Cup, the world's oldest and most famous knockout competition, reaches its zenith on Saturday May 15 with the thrilling final live from England's Wembley Stadium.

SBS will bring you all the action, excitement and colour of the 1993 FA Cup Final when the network presents its exclusive live telecast of the match from 10.20 p.m.

The 1993 FA Cup Final promises to be a classic encounter, between Premier League rivals Sheffield Wednesday and their London counterparts Arsenal.

Arsenal last won the FA Cup in 1979 and will be chasing their sixth title, while Sheffield Wednesday will be looking to break a 58 year drought since winning their third FA Cup in 1935.

Australian soccer fans will join millions of people around the world, who will gather in lounge rooms, clubs and hotels to watch the spectacle.

"Like anything which is old, the FA Cup has become a part of tradition and a tradition in itself," explains SBS's Les Murray.

"There are more important tournaments in terms of their international rank, but none apart from the World Cup have the romantic appeal which exists with the FA Cup. Every English football team and every player wants to stand on the field in Wembley on that one special Saturday in May - and everyone wants to win."

SUPER SOCCER SUPER SOCCER SUPER SOCCER SUPER SOCCER SUPER SOCCER SUPER SOCCER SUPER SOCCER

LEICHHARDT Tigers

Mothers Day was a huge promotional success at Lambert Park last Sunday - all ladies where admitted Free plus a free drink and steak sandwich. Over 200 ladies were catered for, all up over 1,000 supporters attended the game.

Leichhardt Tigers in conjunction with the Canterbury District Association are promoting a Coca Cola Under 10 Challenge Knock-out Competition. Over 5,500 tickets have been distributed to all Junior Clubs in the District. All advertising (cost of printing tickets etc. Ist Prize money $500) has been kindly donated by Coca Cola. All the games are played prior to the 1st Grade match.

Last week head Coach M. Schaefer and two of his star players Eric Hiristodoulou and Frank Mikuletic coached and signed autographs for the Leichhardt Tigers Juniors U/10, U/12 and U/13 teams at Lambert Park.

Leichhardt Tigers 1st Grade are slowly climbing up the League Table and the decisive manner in which they defeated Warringah Dolphins last week even brought applause from the NSW President Peter Gray (who was watching the game in our VIP Box as a neutral observer). But a special mention must be made to Sean Lahiff (goal keeper for Warringah) who saved four certain goals. The free kick he managed to palm over the bar from E. Hristodoulou had NSL goal keeper written all over it.

NSW SCHOOLS HIT THE ROAD

It's been a busy time for NSW Schools Soccer officials. "The recent U.K. tour by the NSW SSA side was a great success despite taking away a slightly understrength side," said coach David Mamo.

Games against Swindon Town, Everton and Derby County Youth Sides were complemented by games against Country Schools sides. A 3-3-3 record was excellent with Shane West from Bathurst the outstanding player.

Meanwhile hundreds of schools are hitting the road as the Commonwealth Bank Cup and Shield games progress into the 3rd round. These tournaments are amongst the biggest in Australia and give students (male and female) a chance to represent their schools.

Early June sees over 400 players and 30 officials on the move to the NSW CHC Inter-Regional Soccer titles. The boys will be held in Port Macquarie from June 1 - 3rd. The 10 Regional sides will be battling to take the Cup away from South Coast, last years champions. Ufak Talay, the brilliant Marconi youngster is expected to play for Metropolitan South West following in the footsteps of Milan Blagoveic and Darren Iocca. State CHS sides will be selected to compete at the NSW All Schools titles to be held at Parklea on June 22 - 23rd and from this, for the first year ever, a fully representative NSW side will travel to Darwin for the Australian titles in August.

Darren Iocca in action against England in the World Youth Championships

CHS Coaches Chris James and Ron Pratt are hopeful of a good side. Recent players to come through CHS ranks include Blagojevic, Seal, Bingley, Maloney, Stanton, Schwarzer, Tsekenis, Iocca, Reda, Cardoza, Bonetig, Bard.

The CHS Inter-Regional girls titles are to be held at the Balgownie grounds in Wollongong from June 8-10th. State Coach David Jirsa expects to be able to select a strong side from the 10 Regions. "The standard of play here has improved out of sight and the advances made by CHS Girls Soccer have been significant," said Jirsa recently.

All in all a busy time for School Soccer. For further information about all these events contact:-

David Jirsa (NSW CHS Girls Coach (042) 675044): Chris James (NSW CHS Boys Coach - 527 1512): Rob Wheatley (NSWSF Schools Development Officer 629 1800)

A LEGEND REBORN

Continued from Pg. 17

Hakoah as it's new name to the Federation and it was accepted.

The Club has come a long way in a very short time. Last season the team was competing in the N.S.W. 5th Division but with the imminent withdrawal of the Petersham Club, Maccabi was offered a place in the higher division. fortunately, the club was able to raise the funds required to guarantee the promotion from a private source.

It was a rags to riches story. A fairytale come true. The rise from 5th to 1st Division revived memories of the great Hakoah teams of yesteryear. The club was once again competing in a high level of football.

There was no doubting where the inspiration for this rapid progress had emanated from. In Phil Filler (President), Phil Wolanski (Team Manager and 1st Team Assistant Coach) and Ron Lilling (Senior Coach), the club has a solid management base to guide the new Hakoah on its path to success.

These men are successful businessmen in their own right and also have a long tradition of football in their families. As young children they experienced the pride of supporting the Hakoah Club and football became an integral part of their lives. Their combined appearances for the Club totalled over 700 games in the 1st team.

Well it's not easy to prepare a club for a new season after you've suddenly entered a League with many semi-professional teams. However, according to President Phil Filler, Hakoah has a three year plan.

"In the first year we aim to gain stability in the 1st Division while 1994 will be a season for further consolidation at this level," says Filler. "1995 is the year in which we hope to look at Super League status," adds Filler.

As coach Ron Lilling puts his charges through their paces on the training pitch, one can clearly observe the intensity and dedication of all the combatants.

The 1993 Hakoah First Grade

The pedigree of the players on view is undoubted.

Avi Ronen (ex Waverley) is a player with outstanding close skills and ominates the midfield.

In the centre of the defence Ray Jackson (ex Lemnos Allstars) and Nathan Aharonyi form a solid duo.

The Club was hoping to utilise the services of the well known Pillemer brothers this season. Unfortunately for Hakoah, John has chosen to play for the Leichhardt Tigers in the Super League but his spirit is clearly with the team.

Russell Pillemer, a key defender with Southern Districts and Lemnos Allstars in the last two season is not available on a regular basis due to business pressures. However, Michael Pillemer, a most skilled striker is in the team this year.

One cannot forget the mercurial John Foxman who was in the 1st team squad of Eastern Suburbs last season. Foxman is well known from his days at Sydney City where he was one of the most outstanding prospects in the NSL.

Recovering, after undergoing a knee reconstruction, John Foxman is determined to show there is life after the operating table and it is a delight to see him take on defenders with a sudden twist or turn of the body.

One must make mention of the talented Terry Sperber who shines as a creative midfielder or as a target man. When Sperber adjusts himself to the pace of the 1st Division he could really make a big impact because he is one of the few players at this level who is blessed with such great skills in both feet.

Hakoah is placing strong faith in its younger brigade. Players like Yoran Rubinstein, Simon Briggs, Daniel Joffe, David Petrini and Ricky Newman all offer the club something special.

After a slow start to the current season, Hakoah's results in the last few matches have been very impressive. The 2-2 draw with Gladesville Hornsby was followed by a 4-1 away victory against Granville. John Foxman scored all 4 goals in a magnificent display.

In Round 5 the team achieved another away victory in defeating the strong Belmore side led by former Sydney Olympic star Jim Ziras, to the tune of 1-0.

Coach Ron Lilling's hard work is starting to pay off. As he says, "If we can maintain a middle table status throughout the season I would be more than happy."

"Who knows, we could even finish higher providing injuries don't affect the team too much."

The football on display in Super League Division 1 is of a very high standard so to compete at this level is no mean feat. The Club also now has the added bonus of ex Israeli 1st Division player Itai Marciano in it's ranks.

Like any senior club, Hakoah needs spectator support to boost it's future. The Club is making attempts to encourage the strong Maccabi Junior Soccer Club to support the team. After all this is their team; a club to aspire to when they enter senior ranks.

It is only by watching better players that young players can complete their education in the image.

F.A. CUP CURTAIN RAISERS

DIVISION 1 WEEKEND PREVIEW with Paul Goodwin

This weekend's fixtures have all been switched to Saturday due to the NSL Grand Final, with the bonus of an evening game at Christie Park for those looking for something extra.

There are already several good drawcards to keep Division One followers guessing.

Saturday afternoon at 3 sees West Wanderers entertain Dulwich Hill at The Gabbie in a game between two of the current strugglers. Wests collected some points early on, but are finding it tough now, while the Hill are in even more of a slump than at this stage last year.

Dulwich Hill miss Kevin Gaffney who won't be back until next week and may bring Ivo de Jesus into the side along with Walter Alvarez and John Sherry, now that Jere Matosin and Nick Lupo will serve out a suspension.

Youngster Jose Mendez made his debut against Central Coast and should hold his spot, but Tim Andersen could find his name missing, from the front line at least, after a reshuffle which should see Ricardo Lira back in favour.

Wests are expected to make changes too with Ivan Maric a likely starter and Danny Cocozza possibly back on the bench after a 2nd grade hat-trick last weekend.

Darko Stipic is sure to return after suspension and new men Joe Brcic and Jure Bilokapic could be making way for these three.

This is Dulwich Hill's chance to get some more points on the board after a tardy start to the season, but Wests' youngsters will keep them honest.

At the same time at Cook Park Mount Pritchard will

Belmore - Hakoah in action

host Hakoah and the Mounties must be fancied despite their horrific run at home in recent times.

Glenn Fontana expects to have Martin Bourke joining his brother Matthew in the side for the weekend, though he is likely to start on the bench.

Hakoah will put up a fight, but this time we expect a big win for the home side.

Hakoah will begin a tough twice a week schedule after this match and will need some depth to cover themselves. They meet West Wanderers in the return fixture on Tuesday 18th and will be busy boys for a while.

At 4 o'clock at Pluim Park Central Coast meets Liverpool in the last of their highly successful Saturday night games.

Coast are firing now and though they slipped up against Hakoah should make no mistake this time and ought to take the points with ease.

Originally on Sunday, the local derby between Granville and Auburn at Garside Park will now be staged twenty four hours earlier.

Auburn have not been convincing lately, but must have enough to claim victory here, though Danny Cerjak will be missing on this occasion.

At Blick Oval Belmore Hercules take on Macarthur Rams in a very interesting fixture which could go either way.

We expect the Rams to finish best and steal away with all three points, but it will be a good contest and well worth seeing.

Finally, at 8.00 pm, Gladesville take on Mount Druitt at Christie Park in a match which could see the feathers fly.

If Andy Ferris and Glenn Jeffery can get going Mount Druitt could be in for a shock, but the joint leaders are not likely to slip up and the best the home side can expect is a score draw from this one, we feel.

A big crowd should be in attendance with the prospect of a great game and an FA Cup Final function afterwards to make for a tremendous evening.

SUPER SOCCER STARS

HARRISCOPE

a mix of ancient wisdom and soccer nonsense by Steven Harrison

TAURUS - (April 21 - May 20)
Treat your injuries. Starve a cold, feed a fever and by a drink for a pulled hamstring.

GEMINI - (May 21 - June 21)
Utilise the time given to you. Extra time is only a means by which to extend a stalemate.

CANCER - (June 22 - July 23)
Do things properly. A flying horizontal scissor kick is the easiest way to make a complete fool of yourself.

LEO - (July 24 - August 23)
Go ahead, kid yourself. You didn't lose, you achieved a negative victory.

VIRGO - (August 24 - September 23)
Concentrate to the end of the match. You can't breathe easy if you are breathless.

LIBRA - (September 24 - October 23)
Be more ambitious. A lap of honour is not appropriate when you win a corner.

SCORPIO - (October 24 - November 22)
Aim carefully. Make sure your next banana kick does not make a monkey out of you.

SAGITTARIUS - (November 23 - December 22)
Have a good time. Every level of soccer employs the same rules and is just as enjoyable.

CAPRICORN - (December 23 - January 20)
Keep moving. Cramp occurs when your legs decide to walk off the field without you.

AQUARIUS (January 21 - February 19)
Watch your steps. Never waltz through a defence that practises break dancing.

PISCES - (February 20 - March 20)
Remember it's only a game. A professional foul is even less excusable for an amateur.

ARIES - (March 21 - April 20)
Relax and play. The coach is paid to fret and go bald.

GOALS GALORE!

If it is goals people want to see at a football game, then the National Youth League Grand Final between the Australian Institute of Sport (AIS) and West Adelaide Sharks, is shaping up as a classic encounter.

Between the two teams, they have amassed at total of 182 goals in only 38 games, this season.

The AIS has played 26 games for a total of 108 goals while the Sharks have netted 74 in only 13 games, at an incredible average of just under six goals per game. So with both teams goalscoring records to go by, there should be goals a plenty.

Sadly though, the AIS will be missing their best attacking weapon, Mark Viduku.

Viduku, who has scored 39 goals this season, over one third of the AIS goals, was sent-off in the Northern Final against Parramatta Eagles for two yellow card offences, meaning a one match automatic suspension.

His loss is a big blow to the AIS, however they have coped without him before and have at least another eight players who are all capable of scoring goals on a regular basis.

Fellow striker Jon Angelucci has also contributed to the AIS goal tally with 13 and his height could be a handful for the Sharks defence.

In the middle of the park the outstanding form of Josip Skoko since his return from injury, has pleased coach Ron Smith and his partnership with Robert Enes will be crucial to the outcome.

One player who has hit form at the right time, is former Sydney Olympic Colt Jim Nikas who scored a double against the Eagles.

Smith said he will be looking at Nikas to run at the defence at every opportunity and it is one of the reasons why the AIS has had excellent finals series so far.

He added apart from a few nagging injuries and viruses the team will virtually be at full strength - apart from Viduku.

West Adelaide surprised many by beating the traditionally strong South Melbourne Club, to go through as Southern Division Champions.

Action from last week's Northern Grand Final

However when going through their line-up it is no surprise to see them in the final.

Jim Tsekinis, a member of Australia's successful World Youth Cup Squad is one player the AIS defence will have to keep close tabs on. He has an abundance of skill and is very dangerous when attacking the defence in one on one situations a la the winning goal he set up for Anthony Carbone in extra-time of the quarter final game against Uruguay.

Another young player who just missed the cut for the Cup Squad, Richard Alagich, will be looking for a big performance, and to maybe prove he was worthy of a place in the final squad.

One player who West Adelaide will rely heavily on is the young Frank Tibaldi. Tibaldi recently made the step up to the 1st team after his outstanding from in the youth team and impressed coach 1st team Raul Blanco immensely.

He is very strong at the back, but also gets down the left very well to create an extra attacking weapon.

The sharks also have three other players who have played for the 1st team on a regular basis, they being Brenton Hiern, Eddie Briscoe and Con Kokkinoplitis.

There experience will play a vital role in the outcome of this match, especially Briscoe who has scored over 15 goals this season.

With the sides not have played each other this season, the result is not an easy one to predict, but you can guaranteed an exciting match will take place.

YOUTH LEAGUE
with
Ian Marriott

Illawarra have bounced back well from their defeat at the hands of Southern Districts in round seven of the Youth League Under 13 competition to beat Sydney CSC and in so doing remain on top of the table.

Marconi were put to the test during their encounter with Blacktown City who played some outstanding football in the first half to lead 1-0 only to see their lead overtaken by Marconi in the second period of play eventually winning 2-1.

The Demons have now been overtaken by Southern Districts who met St George.

The top four now opened a sight gap as Gladesville dropped valuable points to Granville and now four teams are pushing hard for inclusion in the top four including Gladesville Hornsby, St George, Granville and Nepean.

St George, Illawarra and Sydney Olympic were the big movers in the Under 14's each scoring victories over their opponents.

Sydney CSC suffered the most dropping from 3rd to 6th after their exciting 3-2 loss to Illawarra.

Marconi and Parramatta Eagles continue to streak away from the rest but the battle behind is becoming extremely interesting.

Saints fill third while Illawarra making up the four a point behind leading on goal difference from Sydney Olympic and a point clear of Sydney CSC.

Due to the closeness of the competition from third down and with more than half the competition remaining, it is quite feasible to expect that even the teams well down the ladder are still in with a top four chance if they can come up with some consistency.

Gladesville Hornsby is one team which is already beginning to show signs of a bright future have captured two solid wins from their past two encounters. So good has the recovery that they now have a goal difference which is equal to that of St George who are in third position.

With the exception of the 13's it was a great weekend for Gladesville Hornsby all round and they have moved into outright first position in the Under 15 competition following a strong showing against Granville and the Marconi loss to Blacktown City.

It is the first time for many years that a Gladesville Hornsby team has led a first division competition table this far down the track and the Bears fans must be very excited about the prospects of this squad.

Blacktown City would have been celebrating long and hard after their win over previously undefeated Marconi. The victory has enabled them to maintain third position and also leaves them in a position to head for the lead with a match against the leaders just around the corner.

Southern Districts had few problems accounting for a St George squad which showed enough to suggest they will be a force in the weeks to come.

Intelligent movement off the ball by Southern Districts midfielder Danny Mezzasalma led to his scoring a hat trick during the match, two of which were superbly directed headers.

Sydney CSC moved into fifth spot after a tight win over Illawarra who drop to eighth but are still well in the race.

Sydney Olympic continue to make an impression on the table after a slow start and are also in a position to apply pressure on the top four.

Sydney CSC have move to the top of the 17's although they were given a good run for their money by last placed Illawarra.

Southern Districts were unable to reply to a St George onslaught which only yielded the solitary goal and keeps the Saints in line for a top four position.

Marconi also found the going tough against a well organised Blacktown City squad which only succumbed in the last few minutes while Parramatta Eagles hold onto fourth spot just two behind the leaders.

Sydney Olympic bounced back well from the loss to Marconi with both Gladesville and Granville still sitting ready to pounce on any blunders by the top teams.

YOUTH LEAGUE DIVISION 2 with Ian Marriott

KU-RING-GAI ON TOP

Sutherland dropped valuable points in their clash with Rockdale in the Under 13 Youth League Division Two competition allowing Ku-ring-gai to overtake them at the top.

Surprisingly Ku-ring-gai's excellent defensive record was tarnished somewhat however as Central Coast managed to score twice before going down 3-2. Macquarie City, Macarthur and Blacktown all move on to 17 points following wins and thus the top five teams are all very tightly positioned with a gap then to sixth of four points currently held down by Manly Warringah with further pressure being applied by Bonnyrigg, Rockdale, Rooty Hill, Southern & Eastern and Southern Branch.

Canterbury Marrickville's lead in the under 14's was short lived although they will continue to search for a may back after losing to second place Southern & Eastern last weekend.

Top scorer David Blinoff unfortunately broke this ankle in the match after just five minutes and he is unlikely to play again this season. David had scored some 16 goals until his injury.

Scorers for Southern and Eastern in the top of the table clash were Denise Alilovic, Marko Mendez and Jose Perez.

Southern & Eastern move to the top while Sutherland and Manly Warringah move up one spot each at Bankstown's expense after they lost to Adamstown who have been quietly moving up the ranks over recent weeks having now won three in a row.

Neither Macarthur, Bonnyrigg, Rockdale or Blacktown were able to make any major impression on the top four although they still remain in a strong position.

Manly Warringah are the new leaders of the Under 15's after they ran out 1-0 victors over Macarthur in the top of the table clash, Macarthur being unable to make any inroads into the perfect defensive record being boasted by Manly who must be considered as a real threat to the 1st Division sides this season. Rockdale stays in third spot while Adamstown move into the four after they scored a 3-0 victory over Bankstown and Southern & Eastern also did a big jump from eighth to equal fourth with Macquarie City dropping back to seventh.

Sutherland sit just a point behind fourth and Central Coast along with Mt Pritchard were the only others to make an impression on the top ranks. Only a single point separates each of the top four candidates in the 17's before a drop to the next group of four.

Sutherland leads the way with 20 points followed by Macarthur with 19, Macquarie City still performing well on 18 and Mt Pritchard on 17 while the next group sees Bonnyrigg with 14 just ahead of Manly Warringah, Rockdale and Blacktown.

Canterbury Marrickville moved up five spots into ninth and are also an outside chance of making the top four although it is still only early days.

The Super Soccer would like to enhance it coverage of the Youth League by including scorers names and outstanding players, leading goal scorers. You can help by faxing us relevant information to (02) 610 7122. Please ensure names are printed in full and clearly to ensure correct spelling and received by Sunday evening at the latest.

JUNIOR LEAGUE

MANLY TAKE POINTS FROM NEPEAN IN 13'S

Manly Warringah became the first team to take points from Nepean Under 11's last weekend when they played each other in round six of the Junior League Northern Conference.

The 2-2 draw was a valuable two points for Manly and lifts them to within a point of the top four.

Blacktown Association also put in a strong effort to restrict Central Coast to a 2-1 victory while Southern & Eastern move into fourth with a 2-1 win over Granville.

In the Under 12's it was Southern and Eastern who provided the shock result scoring a 2-0 win over Granville who were previously undefeated.

The loss sees Granville drop to fourth spot with Nepean and Blacktown who scored a valuable draw with Central Coast knocking on the door for a top four position.

Gladesville Hornsby scored their first win of the year at the expense of Macquarie City who continue to battle away and will score a few points soon if enthusiasm is worth anything.

Meanwhile Manly Warringah and Central Coast are still neck and neck at the top with Ku-ring-gai just a point behind.
